Bastelanleitung: Obere Stadtapotheke

- Durchgezogene Linien ausschneiden —————
- gestrichelte Linien falten - - - - -
- gepunktete Linien falten und als Klebelaschen verwenden
.....
- Strich-Punkt Linien als Anklebe-Markierung — . — . — . .

Schritt 1: Klebelaschen 1 an gegenüberliegendes Dach und an die Wand der Vorderseite kleben

Schritt 2: Klebelaschen 2 an das Dach kleben und das Haus schließen

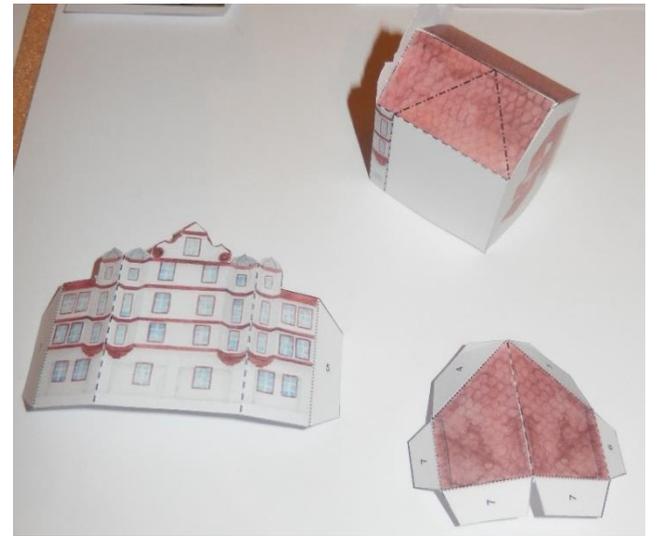

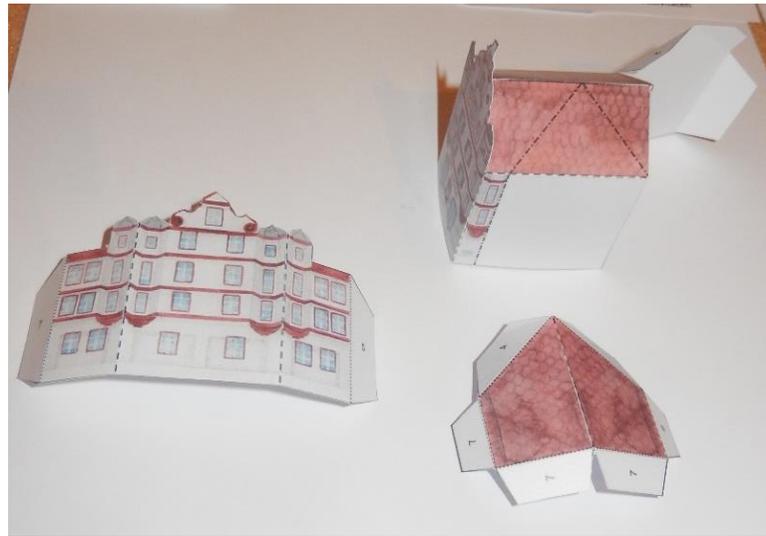

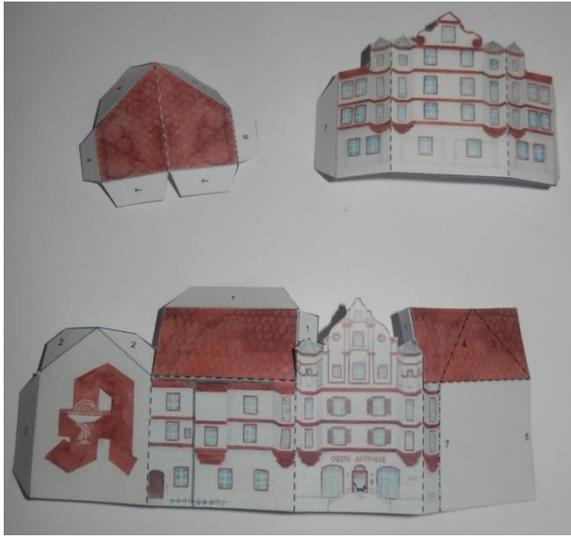

Schritt 3: Klebelasche 3 an die rechte Strich-Punktlinie an das Dach kleben

Schritt 4: Klebelasche 4 ebenfalls an die linke Strich-Punktlinie kleben

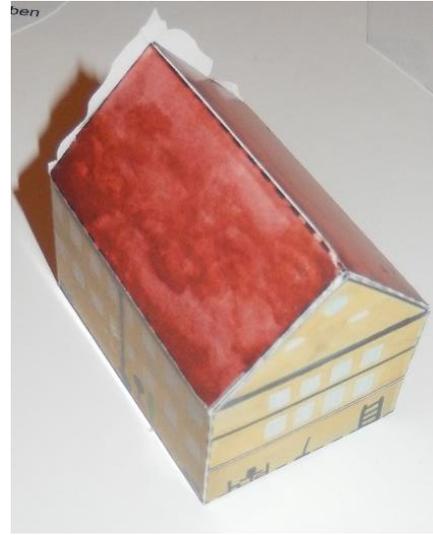

Schritt 5: Klebelasche 5 an die rechte Seite des bestehenden Hauses kleben

Schritt 6: Klebelasche 6 als Verbindung zwischen Dach und Wand kleben

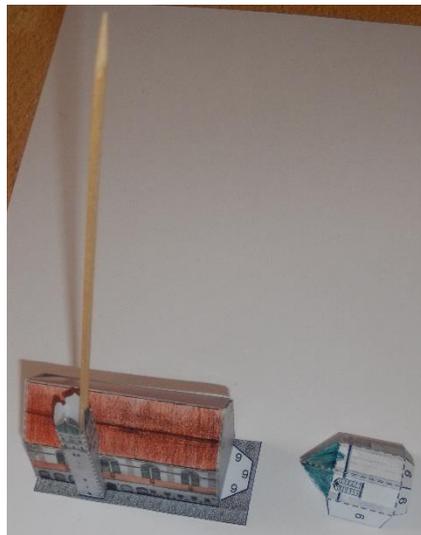

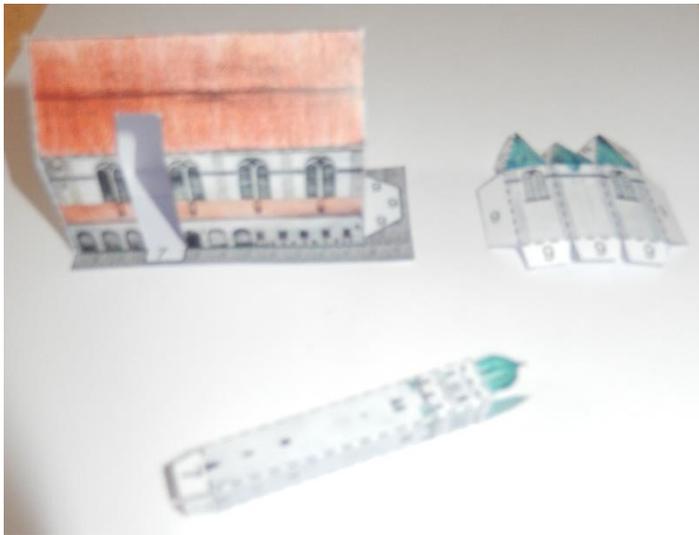

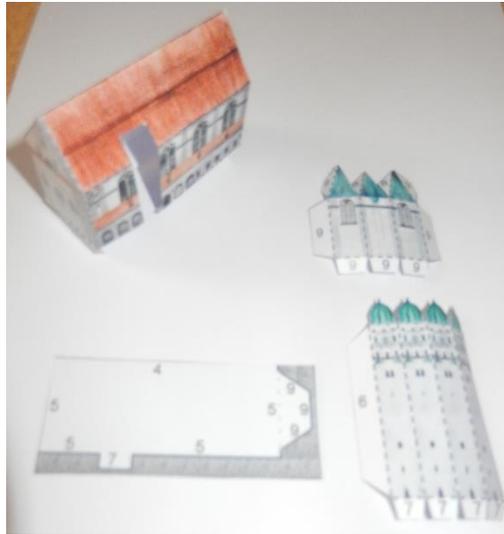

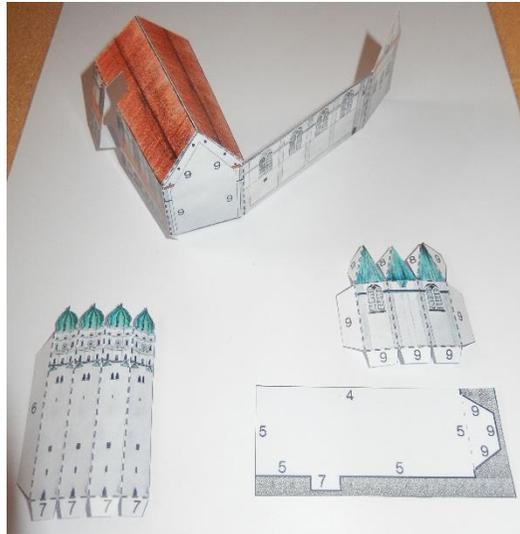

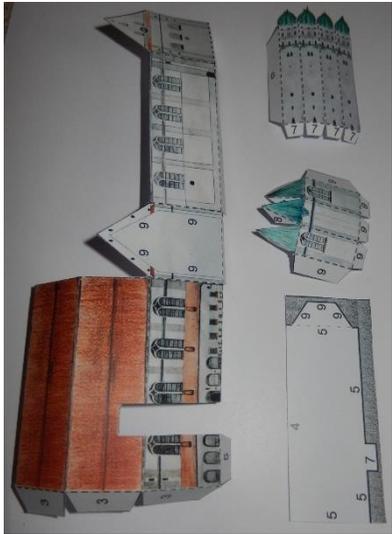

Schritt 7: Mit Klebelaschen 7 das Dach nun vollständig an die Hauswand kleben und die Hauswände verbinden. Dabei an der Strich-Punktlinie orientieren
